

# Baseball tribute to "The Doc"

● The Baseball Section of the Essendon Club paid a tribute to its retiring chairman, Mr L. T. "Doc" Smith, with a dinner at the clubrooms last Thursday evening.

The present chairman, Mr Ken Morrison, right, is shown handling a photograph of last year's premiership team to Mr Smith.

This was something of an omen, for Essendon again won the title on Sunday for the second time in succession with a 8-6 victory over Prahran.
